	QUALITY MANAGEMENT SYSTEM MANUAL	Revision No. 00
	Introduction	Page 1 of 1

QUALITY POLICY

We, Nagata Auto Engineering India Private Limited (NAEIPL) - Bilaspur, engaged in Manufacturing of Sheet Metal Products aim to ensure the satisfaction of our esteemed customers by providing quality products at right time and at reasonable price.

To achieve these objectives NAEIPL-Bilaspur shall: -

- Consider contextual (related) risks and opportunities of its Quality Management System.
- Improve effectiveness of Quality Management System (QMS) by continual improvement, innovation, meeting customer requirement and periodic review of objectives and targets.
- Provide a healthy work environment to its employees by adhering to health and safety norms and creating a good work culture.
- Ensure involvement, participation and motivation of employees in implementation of our QMS through training, awareness & competence building.

This policy shall be reviewed /updated as necessary and available to public and interested parties on demand.

As a policy we do not use people to build business but we use business to build people.

Mittul Soni
(Director Cum CEO)
